

It has come to our attention that persons are falsely representing the National Insurance Board of Trinidad and Tobago (NIBTT) and collecting money for the provision of National Insurance services. We wish to remind you that the NIBTT has not authorised any firms, agents or 'National Insurance Consultants' to act on its behalf.

- Transact your National Insurance (NI) business free of charge at any of our 14 Service Centres.
- Pay your NI Contributions over the counter at the NIBTT Service Centres only and collect a transaction slip as proof of payment.
- No employee of the NIBTT is authorized to accept payments outside of our Service Centres and or, to issue a receipt
  or voucher for such payments. Such payments will not be recognized by the NIBTT.
- The NIBTT is not affiliated with persons who call themselves "National Insurance Consultants" and who have not been authorized to act on the Board's behalf.
- Call the NIBTT immediately if anyone visits your home or business place to collect NIS Contribution payments.
